To get the best results from your Oxygen Experience:

Focus on your breathing, take a deep breath in through your nose, all the way to your belly. Blow it out s l o w l y through your mouth.

Have fun with it, try the different aromas, some will relax you, some will energize you. Use the buttons to try one or all of them at one time.

You may notice a slight floating sensation after about 10 minutes similar to a runner's high. Most people notice an increase in energy that lasts for hours! Enjoy your Oxygen Experience!
